**EXCLUSIVE BUSINESS REWARDS FOR
OFFICIALLY PARTNERED BUSINESSES**

EXCLUSIVE BUSINESS REWARDS INITIATIVE

Understanding the importance of token utility, Circuit Society has developed the exclusive business rewards initiative. This program is designed to yield monetary incentives for businesses that accept Circuit Elite (\$CRCTE) as a means of payment for their goods/services.

BENEFITS FOR BECOMING AN OFFICIAL BUSINESS PARTNER

Circuit Elite is a cryptocurrency reflection token developed on the Binance Smart Chain. Reflection is an advanced protocol that takes 1% of every transaction amount on the network and disperses it to everyone that owns Circuit Elite. By becoming an official business partner, you will yield an additional 3% of every transaction amount that is accepted by your business. This 3% is not spread throughout the network and will solely benefit your business and will be deposited directly to the wallet address that you select to be placed on file with our team.

Additionally, Circuit Elite holds market value as it is paired with the Binance Coin (BNB). As Circuit Elite increases in value, along with the value of BNB, so will the value of Circuit Elite that you own from accepting it as payment along with the exclusive dividends.
